

Diana Puntar Chímera

(H±R-A)

An Alternative Kingston Heritage Trail

24 May _____ 1 Nov 2025

Contribute Your Drawings:

Visit Diana Puntar's sculptures at Town House Library, All Saints Church, Frederick W Paine Funeral Museum and Kingston Museum and have the chance to become part of the sculpture at Town House using this sheet.

Draw whatever you like inside the shapes below. What's important is that your drawings represent you or your personal relationship with Kingston. Your drawings may include things like initials, dates, symbols, tattoos, objects or animals, however simple line drawings will work the best.

Bring this completed sheet to the Stanley Picker Gallery or email it to stanelypickergallery@kingston.ac.uk

Diana will select as many of the drawings as possible and etch them into the base of her sculpture at Town House. Eventually the base will be covered in different marks, reminiscent of old churches or other heritage sites, where people have left personal messages and graffiti over the centuries.

Your name: _____

Contact email: _____

*Please note: This information will not appear on the sculpture
